ALWAYS IN MOTION.**

Automated investing,  
consistent returns.

# Movve: AI at the service of your capital

Movve is a technology company that automates trading across cryptocurrency markets, U.S. indices, commodities, and forex.

Our high-performance software uses artificial intelligence to operate 24/7, continuously seeking the best profit opportunities.

**Technology that multiplies your capital with safety and precision.**

## Melk Franco – CEO & Founder of Movve Wallet

Founder of MFX Trading School, a reference in investment education.

Investment fund manager with a track record of consistency.

Former military instructor in the United Arab Emirates, with international leadership experience.

Black belt and world champion in Jiu-Jitsu, bringing discipline and resilience to the business world.

CEO of Movve Wallet, combining AI, blockchain, and network marketing to democratize financial freedom.

## The Market that Never Sleeps

The future of finance is already here. Movve is part of it.

The global forex market moves \$6.5 trillion per day.

The cryptocurrency market moves over \$300 billion per day.

Every day, new investors look for simpler and safer ways to profit.

## A Volatile Market with Daily Earning Opportunities.

Start investing from \$35.

Daily withdrawals: request your profits any day, with payout within 7 to 48 hours.

Variable returns: up to 1.5% per day, depending on market conditions, until reaching 300% of the invested amount (initial principal included).

Minimum withdrawal: \$100.

Withdrawal fee: 7% of the requested amount.

You invest. Our technology does the rest.

# Protection and Precision in Every Trade

- Your capital is allocated with a regulated broker.
- We apply risk-management strategies to protect your investment.
- Real-time monitoring, 24/7.
- Blockchain-grade security protocols.

**Secure returns aren't a promise. They're our standard.**

# Incentive Program

## Earn More with Movve

Direct commission: 7%  
on referrals you  
introduce to the  
platform.

Binary bonus: paid daily,  
equal to 7% of the  
volume on your smaller  
leg.

To qualify: maintain at  
least one active account  
with \$100 on the left and  
\$100 on the right side of  
your network.

You start receiving the  
binary bonus only after  
both sides are activated.

Here, every strategic action accelerates your results.

## Leadership Rewarded

At Movve, great achievements deserve unique experiences.

Leaders who reach \$1,000,000 in network volume will gain access to exclusive award experiences, designed to uniquely celebrate each milestone.

- Personalized awards, ensuring unforgettable moments.
- International trips, gala events, private meetings with senior leadership, and high-profile public recognition.

# Saving Wallet – Your Smart Savings

Returns of up to 7% per month on the deposited amount.

You may transfer any investment profits or network bonuses to the Saving Wallet.

Capital starts accruing immediately with a single click.

An ideal strategy to make your capital work even harder, simply and securely.

**Earnings that multiply, month after month.**

# Why Movve?
